PROJECT INFORMATION SHEET:

OVERALL PROJECT DESCRIPTION: (It is a very challenging task for the judges to digest all of the information submitted for the awards. This sheet is designed to prevent the judges from overlooking any outstanding characteristic of the project. No one knows about the uniqueness of your project better than you. Be specific and precise in completing these statements.)

CONCRETE DESCRIPTION: (Please include a full description of how you feel that concrete was effectively utilized in the project, for example, sustainability, shortening the time schedule, cost savings, special construction problems and solutions, aesthetics, or an innovative use of concrete.)

WHY SHOULD THE PROJECT BE CONSIDERED FOR THE CONCRETE PROJECT AWARD?
